Sir,

H.Q. With reference to Para 3 of Government order No.R.A.562-64/R.A. 1-33-39 dated 21st February 1934 regarding the lumpsum provision of Rs.117/-, I have the honour to state that the election to the Representative Assembly will be conducted according to the system of proportional representation by means of single transferable vote, only in this constituency throughout the State.

The rules prescribed for the urban constituency elections being somewhat complicated, some time will be taken up in explaining the same to voters.

The election hours in this City have been fixed as from 8 to 11 A.M. and 1 to 5 P.M. There will thus be hardly an hour and half at the disposal of the polling officers and associates to go to their houses for meals and return in time to their respective polling stations to continue their work.

On the polling day the telling may take more time than on the previous elections i.e. not less than 6 hours at the least. To give facilities to polling officers, associates and tellers on the 3rd and 4th March 1934, it was proposed to arrange for breakfast and tea to those employed on duty.

Besides, this lumpsum expenditure includes other unforeseen items such as cart hire, and contingency and for providing shelter and seating arrangements at the polling stations.

In these circumstances I request you to kindly move the Government to sanction this expenditure and intimate the same early, to enable me to make proper arrangements before the date fixed for election.

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT
